## Client Newsletter March 2017 Spring is on the way!

As this newsletter shows our community is growing and thriving.

### Digital Training

5 new Digital Champion volunteers gave up their Monday evenings for the training course, four others spent Thursday morning covering the course at slightly slower pace!

We are in the process of matching our new volunteers with clients. The project is growing by word of mouth which shows how much it is appreciated.

Remember if you already have a volunteer but feel that your computer skills are rusty or non-existent and you are over 60 you can also for a digital volunteer to visit you, just contact Jenny.

### VASL news

We have just been awarded the Pqasso Level 2 award. PQASSO stands for Practical Quality Assurance System for Small Organisations and it is a performance evaluation system. PQASSO makes sure that our governance and leadership are to a high standard and our recent Investors in Volunteers Award confirms that we have equally high standards in dealing with volunteers.

**Being a Pen Pal:** In this age of social media, emails, texting etc. there is still nothing quite like the sound of the letter box closing after the post has been delivered. When I first considered being a Pen Pal, I remembered how much it meant to my mum to receive a letter from me and that thought made my mind up for me - I would become a Pen Pal.

At first I was nervous as to how I would start to correspond with somebody that I did not know but, after my initial letter, it became much easier. Over time I feel I have got to know my pen pal quite well, as I hope she has me.

So if you can spare a little time then please consider being a Pen Pal. I am sure that you will find it very enjoyable and rewarding, as I certainly do.

Community Champions is part funded by VASL and Harborough District Council's New Homes Bonus/Community Fund

FEBRUARY GATHERING 20 participants involved in the Community Champions Project (10 volunteers, 7 clients, 1 visitor, 2 project staff) met at a local café for the monthly community gathering.

Over coffee/ tea and cakes

- Clients talked about community activities they had tried like the Shared Reading Group at the library and The U3A's Chinese Wand Class
- A client and a new Pen Pal volunteer were introduced
- A client and an interim Community Champion volunteer were introduced ( the interim volunteer will visit the client in her home whilst her usual client is on holiday)
- A volunteer talked to another volunteer about doing craft activities with The Enterprise Club
- People took away information about local clubs like the Market Harborough Welcome Club and Tea@3
- A visitor took away information about Harborough Lifeline and the Community Champions project

People also looked around the garden centre and some resisted the temptation to buy!

**Tuesday 25 April 2017.** Community Champions visit to Curve Theatre Leicester . We plan to take 16 people (volunteers and clients) in the Community Bus for a behind the scenes tour of the Curve theatre.

The tour would cost £5 per person (set price) to be followed by afternoon tea (sandwiches, cake, scones and cream and tea and coffee) at £10 per person. We will pay for transport and can pick you up at home.

Please think about whether this is something you might enjoy and have the mobility and stamina for.

If there is enough demand we could look at hiring another Community Bus. It should be a fun visit.

Please let us know if you want to reserve a place.
