Welcome Denise

Community Champions would like to welcome our new team member Denise Heseltine: Hello everyone, I'm Denise and I'm thrilled to join VASL and the Community Champions team as Office Administrator. I have volunteered as a befriender with Community Champions since relocating to Market Harborough. I am originally from the US and have lived in various countries with my British husband and two children. We feel fortunate to have found such a lovely place to live and are enjoying our involvement with many aspects of the community. I have met some of you through my role as a volunteer and look forward to meeting more of you now as I help Rohini, Jenny and Sam "behind the scenes".

November Gathering

42 people met at Kibworth Golf Club on a cold grey afternoon for the November Community Gathering. We needed 2 Mini-buses and 5 cars to transport everyone! Simon and Trisha welcomed us with drinks and cakes laid out on each table. There was a lively hum of conversation as people caught up with pals and new introductions were made. Rohini told everyone about Denise joining the Community Champions Team, shared plans for the next gathering and thanked all the volunteers and staff who make these events so enjoyable. Sam shared flyers about the Friendship lunch and Jenny distributed the 2019 Community Champions calendar. Information about local events and Warm Homes were also shared. Alan gave each table a copy of his fun quiz. 3 ladies have already decided to form a lunch club and plan to eat at Kibworth Golf Club. "This is one of the best Community Gatherings we've had – what a great group of people – just look at everyone chatting"  
"The calendar is great – thank you for such a useful gift".

## Effective Communication

8 people completed the Effective Communication session with Jayne Edwards from Leicestershire Adult Learning Services. The group learnt about open and closed questions, how to be mindful when communicating and that clear communication is the foundation for building strong relationships. Everyone felt they could use their enhanced skills daily in their volunteering and personal lives. The trainer was excellent and everyone enjoyed the informal atmosphere and supportive group.
