Get out and about

VASL Car Scheme is a transport service provided by volunteer drivers using their own cars. It serves Harborough district residents who live east of Husbands Bosworth (A5199).

All our drivers undergo a DBS check and carry an ID badge.

If you are elderly/disabled/rurally isolated or have no transport of your own or if you have difficulty using or have no access to public transport, then you can use the scheme.

Your questions answered

How do I book a journey?

Simply contact us at least 7 working days before the date you want to travel, we will then do our best to arrange the journey.

Please tell us at the time of booking if you have special support needs e.g. wheelchair user, walking aids or difficulty walking, or if you are taking an escort with you.

How much will it cost?

There is a £5 registration fee when you register to use the Car Scheme, there is also a charge based on the mileage that covers the cost of fuel. This will be agreed in advance.

How do I pay?

There are a variety of different ways that you can pay for your journey. These will be discussed with you in advance of using the service.
