What is a Legacy?

A legacy is a way of providing support to a charity in a very special way. By leaving a donation in your Will you would help Voluntary Action South Leicestershire continue its invaluable work.

How to include Voluntary Action South Leicestershire in your Will

There are a number of ways to include Voluntary Action South Leicestershire in your Will:

Residual donation: by leaving a percentage of the residue of your estate after all dependants have been provided for.

Pecuniary donation: by leaving a specific sum of money, which can be index linked to preserve its value.

Specific donation: by deciding to leave a particular asset to Voluntary Action South Leicestershire.

Donations to charities are exempt from tax so anything you leave to Voluntary Action South Leicestershire is free from Inheritance Tax and we would receive the full amount. You can ask your Solicitor about the best way to use your Will to reduce tax.

Without caring there can be no community

Voluntary Action South Leicestershire (VASL) is a charity dedicated to improving neighbourhoods and lives in the Harborough District and the wider community. We run a number of projects such as a social transport scheme, befriending the elderly, providing support for carers throughout Leicestershire and a separate project that helps to give young carers the opportunity to just enjoy life.

We give young people a voice and older people the chance to know they are not alone. We are adding to what we do all the time. If you think of something that you think needs doing, let us know. We work hard to build strong relationships between funders, service providers and local voluntary sector organisations so we can all work together to change things for the better.

Here are just three extracts from the considerable number of letters we regularly receive:

- "Thank you for being there for me and when things get better, I would like to offer my services in some way."
- "You have been a life saver for me."
- "Thank you for making me laugh."

Updating an existing Will

We recommend that anyone making changes to their Will seek the advice of a Solicitor or Legal Advisor.

Minor changes to a Will are easy to make. You can incorporate a gift to Voluntary Action South Leicestershire by way of a Codicil. A Codicil means that you can alter your Will without needing to make a completely new one.
